

We need quilters to dress in 1860's reproduction costume and demonstrate the old-time, hand-quilting using the old patterns and talking to visitors about the history of quilt-making for our Saturday, Sept 20 Harvest Time event from 10 AM-4:00 PM.

Also, please let me know if anyone would be interested in giving a talk about quilt history, maybe a slide show? and/or displaying antique quilts--(no costume required for that). We will take very good care of them and display them out of reach. (I was a collections assistant and worked under a PhD textiles curator and a textiles conservator for three years at a major museum). We are also looking for a display of antique needlework such as antique samplers.

If you do not have costume, we will fit you with one of our costumes and lend it to you for the day. If you are interested, please contact me, Janet Blanchard, ASAP at the phone number or email below.

Sincerely,

***Janet***
