

2024 End of Year Charity Report

2024 was a very successful year for the Guild's charity work! Over 500 items were donated throughout the year – all thanks to your hard work making the various items for donation. The attached year-end report provides additional information about the various types of items that have been donated.

Extra thanks to everyone who made ornaments and stockings for donation this year. There were 120 ornaments donated this year versus 75 last year, and there were 136 stockings donated this year versus 117 last year. Great job!

As information, we have volunteers who make the deliveries; however, If you deliver any quilts or quilt items, please be sure to complete the LQG Charity Delivery Form and provide it to Cheryl Nylund so that we can track all donated items. The form may be found on www.lakequilters.org under the Community Service tab.

Thanks again for helping the Guild to reach such impressive charitable contributions. Here's to even more charitable donations in 2025!!
