Programs and Workshops

Pat Blice and Kate Holdgreve

September 24, 2013...1pm...Program change. Daina Kubasak, a Gold Star Mother has been rescheduled for **November** because she has been invited to participate in a military-sponsored symposium for moms of soldiers who have lost their lives serving our country.

September 24, 2013...1pm...“Pot Luck” with Kate, Pat, and Denise

As we did in June, we will divide into 3 groups, rotating thru three presentations. Pat will demo and share tips for back basted applique (neat technique), Denise will demo Zentangle -a New Way to Doodle and Kate will share photos and other info from a recent Quilt Trails trip to Burnsville, NC. Hence, a Pot Luck afternoon, during which there will be a surprise or two. ***Continuing with the Pot Luck theme, we are asking each bee to bring a non messy finger food to share that would be appropriate for our afternoon meeting. Make enough for about 15-20 people.*** If you don't belong to a bee and would like to contribute, just bring whatever you'd like to share. You don't have to bring a lot! This should be a fun meeting to kick off the fall season!

October 21, 2013 (Monday)...Lucille Amos, All Day Workshop, \$35

All day workshop, Desert Sky (could be Mountain Sky, too!) ***Paper piecing*** at its best with a few curves thrown in! Check out the web site to learn more about Lucille. Next Board Meeting

Ripples From Our President

AUTUMN SPLENDOR

Beautiful warm days and cool nights! What a treat to have in store for us as we move into the fall. But being Pollyanna won't get the chores done that fall brings with it. I hope you are all well on your way to finishing your Challenge quilt and are working on those beauties for our "Quilt Show" in April.

September brings our presentation of candidates for Guild officers for 2014/2015. We'll be voting at our October meeting. During the months of October and November our officers work out a budget for the coming year. As of today we are six members short of our budgeted membership goal. We are all about learning, developing friendships, and participating in charitable projects. If you can think of ways to draw in new members please let your board know so we can bring it to the Guild.

Two of our Charter Members, Geri Grindle and Betty Hatfield, will be leaving the area. Your Board thought a donation to the Virginia Quilt Museum in their honor would be a nice way to remember their many contributions to our founding and growth. To accomplish this goal we will have a donation basket at our sign-in table. If you wish to contribute you may do so there.

Betty Huffman will be leaving the position as newsletter editor this year. So far we have had no luck in securing a replacement for her. If we cannot find a replacement the newsletter will cease to be published as of January 2014.

Sharon Reilly's husband Bob passed away this past week. Please remember her in your prayers.

*Dottie***WEATHER CANCELLATIONS**

Have you picked up your packet of 10 raffle tickets with a photo of each quilt? The quilts are on display in the Fabric Shack at The General Store. If you have sold your ten tickets, you may turn in your tickets and money at the next Guild meeting.

If you have not picked up your raffle tickets, remember to do so as you sign in at our Guild meeting on Tuesday. Vicki and Lori and Dawn have a list and they are checking it twice: first, when you take the tickets and last, when you turn the tickets and money in. These ladies are so organized. The least we can do is finish our quilts in time to enter our Guild's April 2014 Quilt Show. And sell, sell, sell those raffle tickets.

A great big thank you to Avis Withers for bringing a folder of our Lake Quilters Guild first Quilt Show at Bethlehem Methodist Church, June 3rd and 4th 1994. The folder contained newspaper clippings, small posters and a flyer with this bit of history:

Lake Quilters' Guild was established in January of 1990 to serve the communities surrounding Smith Mountain Lake. The fourth Tuesday of each month informal meetings promote good fellowship and the interchange of ideas in the art and craft of quilting. Guest speakers and members stimulate knowledge of all aspects of quilting through workshops, educational demonstrations, a monthly newsletter and by sharing, appreciating and enjoying each other's work.

Also in this folder were photos (and negatives) of the first quilt show. Your newsletter editor attended this show with first and second grade students from Sontag Elementary School who had been reading many quilt stories and making a quilt. What a wonderful surprise to see teachers, students, and parent chaperones from almost two decades ago.

As Ginnie Watson has stated, we will celebrate our 24th anniversary in 2014, our grand 25th in 2015.

Guidelines for Workshops

Workshops are special opportunities for a small group of people (usually only 20) to have instruction from a guest teacher. Please follow these guidelines when signing up for a workshop:

- Sign-up will begin at 12:30 at the Guild meeting in the month announced for the workshop sign-up. Only people who have signed-up AND paid can attend the workshop. You are not considered "signed-up" until you pay your money!
- If you are unable to attend the guild meeting at which the sign-up occurs, have a friend sign you up and pay your money. We will **NOT** be taking phone sign-ups before this time...Please don't ask us to break this rule.
- Once the workshop is filled, a waiting list will be formed. If someone drops out of the class, the next person on the waiting list will be called. Please do not by-pass the waiting list by selling your spot to a friend. It is not fair to those who have been put on the waiting list.
- Once you are on the list, and find you will be unable to attend, you will not get a refund unless someone is found to take your place. Please call **Pat Blice(890-6226)** or **Kate Holdgreve(890-2027)** as soon as you know you can't come and the next person on the waiting list will be called. If there is no one on the waiting list, you may then find your own replacement.
