# Patches from the President . . . Susan Palmer

Hello!

First things first . . . a huge Thank You to all the women who came out for the annual charity sew in at the February meeting.

We made about 275 bears and still have 65 more ready to stuff and finish! Sandra Ferguson and Marnie Brush will give us the final count at our meeting on Tuesday.

I have just returned from a wedding in NJ, and I can tell you that we are not the only grumpy, cranky winter hating folks—the entire middle Atlantic is infected with the malady. I told the other guests that I saw my first Robin a few weeks back, and they stared at me in disbelief. When I told them that there were daffodils under the snow, and crocus ready to bloom, they said “What planet are you from?” Virginia . . . and we have had a wicked winter also . . . I hope you have been making the most of this awful weather, putting sleeves on all your entries, finishing the bindings and borders and adding your labels.

The fields that were brown when we left have greened up already in spite of the crazy temperatures. I think we have had our last school closing, and Spring arrives on the day Joyce sends out this newsletter—Thursday, March 20.

What does that mean?

In two weeks, we will have our Quilt Show! Get ready to white glove and welcome our guests as they admire our lovely quilts.

Marlyn Curnow arranged for a TV interview on Channel 12 on Monday, March 24, at 7:15 a.m. To all you early risers, pour a cup of coffee, tune in, and cheer us on as we invite folks from near and far to our show. Tell your neighbors and friends at church, newcomers, marble groups, and bridge, that the quilt show is coming.

Invite them to plan a day with us, buy lunch from the church ladies and welcome a new season.

See you next week, Sue

## 2014 GUILD CHALLENGE

The challenge this year is that everyone is making the same thing but adding their own special touch to it to make it their own. Visit this web site to see the pattern....

<http://sharimariecreations.com/attachments/File/Shari%20Maries%20Purse%20Tutorial.pdf>

They are easy directions with lots of pictures. After seeing everyone's bags at the Christmas luncheon, we will all have tons of ideas on how we can add things to our creations to make them special. This is an easy one this year so take the opportunity to participate. Not much time, fabric, or money is required so no excuses!! Any questions, call me. Cindy Stachelski (540) 721-2588

### Workshop Guidelines

Workshops are special opportunities for a small group of people (usually only 20) to have instruction from a guest teacher. Please follow these guidelines when signing up for a workshop.

- Sign-up will begin at 12:30 p.m. at the guild meeting in the month announced for the workshop sign-up.
- Only people who have signed-up **AND** paid can attend the workshop. You are not considered "signed-up" until you pay your money!
- If you are unable to attend the guild meeting at which the sign-up occurs, have a friend sign you up and pay your money. We will NOT be taking phone sign-ups before this time. Please don't ask us to break this rule.
- Once the workshop is filled, a waiting list will be formed. If someone drops out of the class, the next person on the waiting list will be called. Please do not by-pass the waiting list by selling your spot to a friend. It is not fair to those who have been put on the waiting list.
- Once you are on the list, and find you will be unable to attend, you will not get a refund unless someone is found to take your place. Please contact Becky Linkous and Denise Pilversack as soon as you know you can't come and the next person on the waiting list will be called. If there is no one on the waiting list, you may then find your own replacement.

### SIGNS OF A QUILTER

1. You always have threads or fabric scraps on you, somewhere.
2. You pay more attention to the bedding than the action in a romantic movie scene. (Angelina Kendra)
3. Your neighbor is excited about her new kitchen, and you want to show off your new sewing table extension.
4. To you, parchment paper is not a baking supply.
5. You have more fabric than clothing . . . or food.

### 2014 BLOCK OF THE MONTH

No report received by newsletter editor.

# LQG 2014 CHARITY SEW-IN

*IF YOU MISSED IT, YOU REALLY MISSED IT . . .*

A big thank you to everyone who came to our Sew-In last month as it was a huge success. As many members had picked up patterns, cut out the bodies for both the old and new bears, then sewed them and made them ready for stuffing, we were able to complete over 250 bears and 31 pillow pals.

Everyone seemed to enjoy working together stuffing, sewing the bears and pillow pals closed, then drawing faces on them and finishing them off with a pretty ribbon.

We also got to enjoy our annual birthday cake. Thank you to the Hospitality Committee for arranging the refreshments for us.

All in all, we took in **270** bears, **31** pillow pals, **3** twin quilts, **5** small quilts, **2** lap quilts, **5** pillowcases, **6** wheel chair bags and **5** drawstring bags for a total of **327** items. We are now pretty much set with bears for the year and have another 65 bears cut out and ready for next year.

We have just received a request from CASA of Franklin County for large lap size quilts and colorful pillowcases to be distributed by them at Christmas time. They are especially needed by teen-age children in foster care. We hope to be able to fill their request by making lap quilts with a matching pillowcase, so please keep this in mind when working on your donations.

We are definitely off to a great start for 2014 as we have now received over 500 donated items in the last two months. As busy as our lives seem to be these days it is so heart-warming to see so many of our members take the time to make all these items which brighten the lives of others.

*Marnie and Sandra*
