## Workshop Guidelines

Workshops are special opportunities for a small group of people (usually only 20) to have instruction from a guest teacher. Please follow these guidelines when signing up for a workshop.

- Sign-up will begin at 12:30 p.m. at the guild meeting in the month announced for the workshop sign-up.
- Only people who have signed-up AND paid can attend the workshop. You are not considered “signed-up” until you pay your money!
- If you are unable to attend the guild meeting at which the sign-up occurs, have a friend sign you up and pay your money. We will NOT be taking phone sign-ups before this time. Please don’t ask us to break this rule.
- Once the workshop is filled, a waiting list will be formed. If someone drops out of the class, the next person on the waiting list will be called. Please do not by-pass the waiting list by selling your spot to a friend. It is not fair to those who have been put on the waiting list.
- Once you are on the list, and find you will be unable to attend, you will not get a refund unless someone is found to take your place. Please contact Becky Linkous and Denise Pilversack as soon as you know you can’t come and the next person on the waiting list will be called. If there is no one on the waiting list, you may then find your own replacement.

## 2014 BOM

Fall is upon us and our table toppers are keeping up with the season. Come see how with four fat quarters one can make four placemats at once. All with different fabric arrangements. No two placemats will be the same. Our technique this month is stack and slash. A great technique for holiday fabrics, too.

# Patches from the President . . .

### *Happy Fall Ladies!*

Welcome back from your vacations and all your company. I hope all your chores are done, extra bedding and beach towels put away, and you are ready to get back to your sewing machines.

The Moneta library, on Rt. 122 in Bedford County - across from the Methodist Church - has asked us to exhibit our quilts for the month of October. The current exhibit is all about barns, so if you have time, take a look at the wall space we have to cover - the front wall on the side facing Rt. 122, and a smaller wall on the south side of the room. We could use many twin size quilts, as well as table toppers and smaller pieces with dowel rods to hang from the brass strips. I believe there are several areas that will be big enough for full size quilts as well.

#### WEATHER CANCELLATIONS

Notice of guild meeting cancellations due to bad weather will be posted on the WSLS web site: <http://www.wsls.com>. Click on "Weather"/"Closings." A link to the WSLS web site can be found at the bottom of the HOME page on our web site.

(<http://www.lakequilters.org>)

For further information or questions, please contact the Guild President or the Program Chair-Person (VP). Their contact information is listed in the newsletter under the current officers.

This is a good opportunity to increase our visibility and membership, so I hope we have lots of participants . . . and for those of you who didn't finish a project in time for our last show in April, this is your chance to share with a larger audience.

Please bring any items for our exhibit to the Guild meeting on September 23. And if you can volunteer to hang them on October 1, that would be most appreciated. See you on the 23rd!
