AUGUST 22...Workshop – "Mini Mosaics"...instructor Cheryl Lynch

This is a fun no sew workshop that imitates the ancient art of mosaics, inspired by Cheryl's trip to Israel. Learn how to create a mosaic picture from small pre-cut pieces of lots of colored fabric, using a technique Cheryl developed to simplify the process. Pick one of the available patterns in class that will finish a 9"x12" project that can be bordered and quilted to your preference at home. Bring tweezers and a sharp small scissors to use with a provided kit (\$16).

There are only 6 places left. Cost is \$28. Call me to sign up or take your chances and sign up in July.

August 23 – Program – "Turning Travel into Treasures"...lecturer Cheryl Lynch

About Cheryl...Cheryl made her first quilt out of Marimekko fabric when she was attending graduate school. It took another 17 years to make a second one. Fascinated by the color and texture of fabric, Cheryl discovered she could create art and folk art without knowing how to paint with a brush. The challenge became how to turn her ideas into a quilt. She likes to build one section at a time by putting together the pieces of the puzzle, making the quilt challenging and energizing. This process sometimes necessitates the development of a new technique or use of non-traditional fabric.

September 25, 9am–3pm – Intermediate Machine Quilting – Instructor – Susie Jacobs.

The class time will be spent exploring an assortment of designs for use in blocks, borders, and backgrounds. Each pattern will first be drawn on paper and then stitched on fabric. She will cover lots of tips and techniques needed for successful quilting, picking quilt designs to suit your quilt and how a little tweak can change the look of a design.

There is only one place left in this class. Cost is \$35.00.

Susie Jacobs made her first quilt over 35 years ago and wishes she had kept count on how many quilts she has made since. She took her first machine quilting class 20 years ago and after a shaky start, began to enjoy the time spent creating designs on her quilts. Over the years, she has shared her love of quilting while working in quilt shops and teaching.

REMEMBER: You can now register for classes any time. We accept credit cards, cash and personal checks. Just contact Bette @ 540.875.7123 kayaksml@gmail.com

Workshop Guidelines 2017

Workshops are special opportunities for a small group of quilters (generally between 10 to 20) to learn new patterns and new techniques, to develop deeper threads of friendship and to obtain valued instruction from the guest speaker.

Please follow these **guidelines** when signing up for a workshop.

- Sign up will begin at the monthly guild meeting three or more months prior to the workshop.
- Three months or more prior to the workshop, the sign up will be offered to our guild members. Two months prior, if the workshop is not filled, the workshop will be opened to other guilds and to the general public at an additional fee. One month prior to the workshop, if not filled, the workshop will be cancelled and payments returned.
- Only people who have signed up **AND** paid can attend the workshop. You are not considered signed up until your payment is received.
- Once the workshop is filled, a "waiting" sign-up sheet will be made available. If someone drops out of the class, the next person on the waiting list will be called. If you need to cancel, please do not find a replacement unless there is no one waiting.
- Once you have signed up for a workshop and you find you are unable to attend, you will not receive a refund unless your spot is filled. Please contact **Bette Gove** as soon as you know you can't come and if applicable, the next person on the waiting list will be contacted. If there is no one on the waiting list, you may find your own replacement. Please advise Bette who this person is and their contact information.

2017 SML Quilt Guild Challenge-Wall Hanging (you choose size)

The Log Cabin Star is for the Novice Quilter. If you're a beginner and want to participate in this year's challenge pick this star. This block may look intimidating but it's a great starter...straight lines!! Make Log Cabin squares and arrange into a Star!

The Bethlehem Star is for the Intermediate Quilters. If you're a fairly confident quilter that has quite a few projects under your belt, then this is probably the Star Challenge for you! Here's a link: <http://www.fonsandporter.com/wp-content/uploads/Bonus-BrokenSpoke-PiecedDiamond.pdf>

The Glacier Star is for the Advanced Quilter. If you've made many quilts and projects and are very confident with patterns then this is the challenge for you! Unfortunately, there are not free patterns for this block. Since many of you advanced quilters have made some form of this pattern you may already have it. If not, you can get it from www.quiltworx.com or www.keepsakequilting.com

Please pick the appropriate skill level star and good luck!!
