CHARITY NEWS

Did you attend the May guild meeting? If you didn't, you missed the Southside Bee's display. Thanks to modern technology you can visit the Lake Quilters' Show and Tell for May 2018 and see the quilts, stockings and bears (oh, so many darling bears!). We have almost reached the goal of 218 Christmas stockings for STEP. Thank you to those of you who have made walker bags and wheelchair bags. The residents of Bedford nursing home love our colorful, cheerful ones. Although we began making fidget quilts for dementia patients and expanded our donations to include autistic children, I can now suggest that we make some for women who have had strokes. I will have more information and suggestions provided by a stroke survivor at our July meeting. So don't throw away your odd bits of ribbons, buttons, lace, and heavily textured fabric scraps. Keep cool and sew on!

Material Girls Bee

(Left to right standing: Mary Stuart Link, Stephanie Schaefer, Pat Blice, Cindy Stachelski, Sharon Pafford, Marcia Wright, Karen Arends Seated: Kate Holdgreve, Jean Hensley and Janie Lawless)

The Material Girls Bee had their first Bee meeting in January of 2003. We have been meeting twice a month since then. We are basically traditional quilters who like to learn and try different techniques. We travel together to quilt shows, quilt shops and have an annual week long retreat every January. We support each other with our various quilt projects as well as giving emotional support when needed. At our peak we had 11 members. Since then two have moved, Janie Lawless to Raleigh and Marcia Wright to Bealeton, VA. They still join us for an occasional bee, always at our Christmas luncheon and January retreat.

This past year has been a difficult one for us. Peggy White became quite ill in December and it was determined she shouldn't be living alone. Her family moved her to a nursing home facility in Indiana near her oldest son. Her dog Duke, visits her every day. Sadly, we have not heard from Peggy or her family in quite a while. We hope she is doing well.

We also lost a most beloved member, Jean Hensley to cancer this Spring. She was the quiet one in our group of type "A"s but probably our most respected. She was a wonderful quilter, great teacher and always willing to share her expertise. Her handwork was exquisite. We all have items she has made and will treasure them forever. She was often the one we went to for advice or reassurance on our quilt projects. Her sweet disposition was like a ray of sunshine on our souls. Jean was always ready to go or do anything our group wanted to do. We miss her so much. At her funeral each of her family members (there were quite a few) carried a quilt she had made for them as they processed into the church and laid them along the church railing. Very impressive to see so many beautiful quilts. It's a legacy we all hope to leave.

If you have an interesting project that your Bee has been involved in and would like it to be included in the Newsletter, please send it in a 'WORD' document, no later than 5th of the month that you would like it to appear, to hodgson,jackie@gmail.com Include a picture too.

Would You Like to Be in a Bee?

By Kate Holdgreve, Beekeeper

kdholdgreve@gmail.com

Bees are subsets of the guild. It is an opportunity to be a part of a smaller group of quilters who share the same quilting interests as you. Maybe it's Art Quilts or Traditional quilts. Perhaps it's making charity quilts or learning new techniques. The Bee becomes a great bevy of friends who "get you" and can give you all of kinds of support. If you are interested in joining a group or starting one, please let me know and we will see what we can do. We have 8 active bees and most of them are full but starting a new one is always encouraged and welcomed. Bees usually meet at least once a month. Often the meetings take place in each other's homes for 4 or 5 hrs. and may include lunch. The one I belong to meets twice a month from 9:30-3 and we bring our own lunch.

Currently, our bees take turns displaying their projects at the monthly guild meetings. They are also responsible for helping to set up and take down tables and or chairs for the Guild meeting which I've noticed lately doesn't seem to be a daunting task. If you have any ideas regarding how to best showcase, develop or utilize the Bee program, please let me know.
