## President's Message October 2019

Hello Quilters! I hope your quilting is going great in this welcome, cooler weather. Our Board has met and it seems like everything is moving along smoothly. Veronica is presently finishing up program planning for 2020, including the retreat at the 4-H Skelton Center, October 29 – November 1. It should be fun! **We need a “Shadow” for Veronica for next year to learn the “ropes” of being a Program Chair. PLEASE consider this and let me or Veronica know ASAP. Working with her next year will give you a chance to learn.**

Sue Whitney and Veronica are working on a new Lake Quilters Guild brochure, which should be ready soon. Thanks to these two capable ladies for doing this!

Next year is Lake Quilters Guild's 30<sup>th</sup> anniversary!!! If you have any historical information or scrapbooks, please give them to Sue Whitney.

I know our Quilt Show ladies are working hard on the show for April, and we hope to have a report from them soon. I will call on them at the October meeting for some news.

We will be voting in November for our new officers. If you have a desire to run for office, please let Susan Palmer know. See you soon.

Mary Hamlin  
President

## LQG WORKSHOP GUIDELINES 2019

**LQG Workshops** are educational and fun opportunities for small groups of quilters (generally between 15-25) to obtain valued instruction from guest presenters and learn new patterns, techniques, shortcuts and design elements, as well as develop deeper threads of friendship with other Guild members. For your information, please refer to the following Workshop Guidelines:

- **Three or more months prior** to the Workshop, signups will begin at the regular monthly meeting.
- **Two months prior** to the Workshop, if it is not filled, signups will be offered to other guilds and the general public at an additional fee.
- **One month prior** to the Workshop, if not filled, it will be cancelled and payments returned.
- Only people who have **signed up AND paid** can attend the Workshop. **You are not considered signed up until your payment is received.**
- When the Workshop is filled, a "Waiting List" sign-up sheet will be made available. If someone drops out, the next person on the Waiting List will be called. **(If you need to cancel, please DO NOT find a replacement unless there is no one waiting).**
- Once you have signed up for a Workshop and you find you are unable to attend, **you WILL NOT receive a refund unless your spot is filled.**

Please contact **Veronica Church** [vcchurchlqq@gmail.com](mailto:vcchurchlqq@gmail.com) as soon as you know you cannot attend a Workshop you have **signed up and paid for**. If applicable, they will contact the next person on the waiting list. If there is no one on the waiting list, you may find your own replacement and give **Veronica** your replacement's name and contact information.

### HOLIDAY MAGIC CHALLENGE

The leaves are falling and the witches and goblins are ready to make their appearance. Halloween has become such a big holiday that it is second only to Christmas. Maybe it's your favorite holiday. Can't wait to see all of your great wall hangings.

The challenges will be displayed at the December Luncheon and voted on by Members attending the luncheon. Please take your wall hanging to Westlake Country Club on December 5<sup>th</sup> between 10am and 4pm. The staff will hang them for us and they will be ready for voting on December 10<sup>th</sup> at 11am. **NO ENTRIES WILL BE ACCEPTED THE DAY OF THE LUNCHEON.**

Prizes will be awarded for the most creative wall hanging and for the wall hanging showing the best example of the holiday theme.

If you have any questions, you may email me at:-  
[JoyceJIM@hotmail.com](mailto:JoyceJIM@hotmail.com) Thanks, Joyce Moorman

### Beginners Class

We will meet at 11:30am. for our final class which will cover finishing your quilt. Please bring your finished blocks with you so we can lay them out and you can decide what arrangement you like. Please plan to come even if you don't have blocks finished. There will be a lot of hints on borders, bindings and how to get your quilt top ready to send to the quilter if you don't choose to quilt it yourself. See you there.

## BOOK REVIEWS

by our Librarian - Marge Weismantel

### IQG October 2019 Book Reviews:

Time to attack our stash! Featured are two books in our library written by the same author on how to use all that fabric piling up in our closets.

#### Making Scrap Quilts to Use It Up! by Lynn Edwards

Lynne Edwards decided to write this first book on how to use up scrap fabrics after she was told that she had a bigger supply of fabric than the local fabric store! The author claims that half of all quilting purchases are made for fabric and much of that fabric is not designated for a particular project. We simply buy it because it's beautiful to us! Most of the projects showcased in this book allow for the flexibility of substituting fabrics of similar tonal value. Designs for smaller projects, such as cushions or cot quilts help to use up all those scrap pieces laying around. Overall, this book has a nice mixture of traditional and modern style quilts.

#### Stash-buster Quilts by Lynne Edwards

Why do we often have more fabric left after making a quilt than before we started? All quilters have stashes of quilting fabrics whether they've quilted for 6 months or 60 years. Often, a person's collection of fabric leans toward similar colors and/or patterns. With this in mind, the author introduces fourteen more projects, both large and small, that would be ideal for using up some of your stash. Each project includes step-by-step instructions along with illustrations and beautiful photos of the finished products. The author includes the symbol of an hourglass as a way to highlight her time saving tips.

#### Attention Guild Members.....

Some of our older books have been pulled out of the guild library (books from the 1990s) & will be **available at guild meetings for \$1.00 each.** I'm still in the process of sorting through each of the topics in the library so I will be bringing the older books to the meetings for the next few months.

## News from the Beehive.....

The Kept in Stitches Bee is our featured Bee this month. Please be sure to admire their work and thank them for sharing. Kept in Stitches is a large Bee with a ton of talent which should make for much sharing and learning. They have an ambitious and fun schedule set for the coming year.

If you or anyone you know would like to start a Bee, please let me know. Bees are a wonderful way to learn, share and be inspired to create wonderful quilts. If you are not particularly interested in a Bee but would like to share your quilts, let me know and I will make that happen.
