President's Message November 2019

Hello, Quilting Ladies!

Our annual business meeting was held at the November 12th. Guild meeting. The slate of officers for 2020, as secured by our Nominating Chair, Susan Palmer, include: Sue Whitney, President; Veronica Church, VP Programs; Sue Wilson, VP Membership; Connie Lutz, Treasurer; and Beverly Seaver, Secretary. Although many of our Committee Chairs will continue as well, we are still looking for a "shadow" to follow Veronica next year and learn how to secure interesting programs for our monthly Guild meetings.

The Raffle Quilt will be alive and well next year, and we ask for a chair, bee, or committee to volunteer to make this happen in time for the Quilt Show in mid-April.

My last official meeting as your President was in November, but I will be at the December luncheon. I appreciate having the opportunity to serve you, and I especially appreciate all the wonderful members who have stepped up and taken on responsibilities to help our Guild be successful and enriching! You are a wonderful group of TALENTED, creative, and helpful ladies, always ready to jump in and help. I love you all!

LOG WORKSHOP GUIDELINES 2019

LOG Workshops are educational and fun opportunities for small groups of quilters (generally between 15-25) to obtain valued instruction from guest presenters and learn new patterns, techniques, shortcuts and design elements, as well as develop deeper threads of friendship with other Guild members. For your information, please refer to the following Workshop Guidelines:

- **Three or more months prior** to the Workshop, signups will begin at the regular monthly meeting.
- **Two months prior** to the Workshop, if it is not filled, signups will be offered to other guilds and the general public at an additional fee.
- **One month prior** to the Workshop, if not filled, it will be cancelled and payments returned.
- Only people who have **signed up AND paid** can attend the Workshop. **You are not considered signed up until your payment is received.**
- When the Workshop is filled, a "Waiting List" sign-up sheet will be made available. If someone drops out, the next person on the Waiting List will be called. **(If you need to cancel, please DO NOT find a replacement unless there is no one waiting).**
- Once you have signed up for a Workshop and you find you are unable to attend, **you WILL NOT receive a refund unless your spot is filled.**

HOLIDAY MAGIC CHALLENGE

NOVEMBER, what can be better than family and friends gathering together for the biggest and best meal of the year with turkey, dressing and all the trimmings. I don't know about you, but my favorite part is the dressing or stuffing, depending on what part of the country you are from.

Each of us has a fond memory of Thanksgiving, where we eat too much, tell family stories and take time to thank the Lord that we are all so very blessed.

Please take your challenge to Westlake Country Club on Thursday December 5th between 10am. – 4pm. so that the Westlake staff will have time to hang them before our lunch on December 10th at 11:00am.

Be sure to put your name on the back of your quilt.

I hope each of you have enjoyed this challenge and best of luck in the voting. If you have any questions, you may email me at:-

Thanks, Joyce Moorman

Key Help Needed: door prizes, raffle quilt and raffle quilt committee

Election of 2020 Officers / Candidate Slate all voted in:

President: Sue Whitney

Membership: Sue Wilson

Programs: Veronica Church

Treasurer: Connie Lutz

Secretary: Beverly Seaver

Discussion item #1: Technically we only needed to formally elect for the President and Membership roles; all of the others are 2-year terms up for formal reelection in late 2020 (for 2021).

Discussion item #2: Considerable discussion occurred about the perceived lack of shadowing and "transition training" that occurs for key roles; it was clarified that both the President and the Membership roles have historically had shadow situations (and these will continue). It was also noted that negativity and a lack of support of new officers / new ideas is not helping the Guild and really needs to stop.

New Topics

Remuneration for members who teach / lead workshops: In August, the Board reviewed the idea of awarding a free class "coupon" to any member who teaches a workshop moving forward. Sue Wilson made a motion that we adopt this idea, it was seconded by several members and then passed. During the discussion, there was a suggestion to review the current written guidelines to ensure they stay updated.

Guild's 30th Birthday: Sue Whitney announced that next year is the Guild's 30th birthday and we will be celebrating in high style! More to come on that Sue is also researching all of the Guild's historical documentation and is missing info from 2003-4. Anyone who has anything that could help fill in this gap should reach out to Sue.

LQG Brochure: Mary reported that Sue Whitney and Veronica are working on an updated brochure.

Membership Renewals: Jackie reported that forms for next year's membership renewal will be sent with the next newsletter. Sue (Wilson) will also take payment at the holiday luncheon.

Meeting was adjourned by Mary Hamlin at 1:47 p.m.

Minutes taken by Beverly Seaver, Secretary, 11/12/2019

BOOK REVIEWS

by our Librarian - Marge Weismantel

LQG November 2019 Book Reviews:

The book reviews for November are all about different quilt-at-you-go techniques

Cut, Sew, Quilt as You Go by Leisure Arts

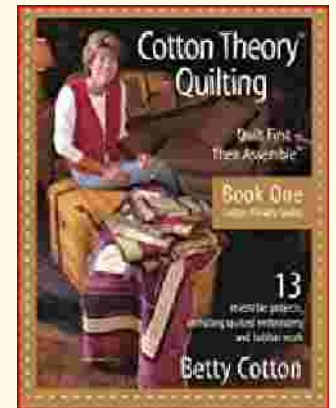

This book is all about how to make rag lap quilts and throws. Rag quilts are characterized by ragged exposed seams that create a soft, fluffy and charming look when washed. The beauty of rag quilting is that you can cut, sew and quilt one section at a time. Often rag quilts can be whipped up over a weekend or a few nights. The book gives clear directions on how to make frayed -edge patchwork and simple machine Appliqué. Photos and instructions for several quilts, along with Appliqué patterns are included.

Cotton Theory Quilting by Betty Cotton

The traditional way of putting together a quilt is to assemble the top first. Quilters tend to enjoy traditional quilting because they can see their design come together when the top is finished. The difficulty with that approach is the size of the final quilt sandwich, especially with a larger sized quilt.

Cotton Theory Quilting solved that problem by devising a way to quilt the top, the batting and the backing one section at a time. After the quilting of the different sections are complete, the sections are then assembled using specified sewing, folding and top -stitching techniques. All of these techniques are thoroughly demonstrated in the book. One nice byproduct of the Cotton theory of quilting is that most of the quilts that are produced are completely reversible. Several quilting projects are highlighted along with photos and directions.

Attention Guild Members..... Some of our older books have been pulled out of the guild library (books from the 1990s) & will be **available at guild meetings for \$1.00 each.** I'm still in the process of sorting through each of the topics in the library so I will be bringing the older books to the meetings for the next few months.

November Charity Report

Christmas stockings are packed and ready to go to STEP in Rocky Mount. Our biggest green (for Christmas) Rubbermaid tub is filled with red and green stockings for the little preschool children. The tub looks less merry without the stockings but by February we will have more felt, Christmas novelty fabric, and trims to go with the patterns. This elf is allergic to non-food-grade burlap, so our stocking delivery to STEP is made in white plastic kitchen bags, which look nothing like Santa's pack. But the little ones always know the bags have something to do with Christmas and their excitement is contagious!

Several years ago, Katherine Lewis and the local DAR delivered twin-size bed quilts (from LQG) and "ditty bags" (from DAR) to lady vets at VA in Roanoke. They were so appreciative of our feminine quilts. There are six new lady vets in need of a pretty quilt as they settle in their assisted living. So many of us have tried to not forget the guys, so our quilts are not quite as floral as they used to be. Well, Katherine has found one feminine quilt, so if only five of us can "get our girlie on" in our sewing rooms, the new vets will have quilts just as the ladies who came before them. If you have a twin-size top for a lady vet, but need batting or backing (or both), please contact me at:-
