PRESIDENT'S MESSAGE

Quilting Ladies, I hope you are enjoying your summer family, vacations, fun, and relaxation. Are you managing to get in some quilting too? I finally finished my baby quilt and am looking forward to other workshops. My sewing granddaughter, Caroline, will be here in a few weeks and amazes me with her creativity. Today she designed and created doggie coats for her friend's doggies as a birthday present. What fun things are you creating? In July I'm looking forward to see your Show and Tell projects. Keep on quilting!

Mary

LQG WORKSHOP GUIDELINES 2019

LQG Workshops are educational and fun opportunities for small groups of quilters (generally between 15-25) to obtain valued instruction from guest presenters and learn new patterns, techniques, shortcuts and design elements, as well as develop deeper threads of friendship with other Guild members. For your information, please refer to the following Workshop Guidelines:

- **Three or more months prior** to the Workshop, signups will begin at the regular monthly meeting.
- **Two months prior** to the Workshop, if it is not filled, signups will be offered to other guilds and the general public at an additional fee.
- **One month prior** to the Workshop, if not filled, it will be cancelled and payments returned.
- Only people who have **signed up AND paid** can attend the Workshop. **You are not considered signed up until your payment is received.**
- When the Workshop is filled, a "Waiting List" sign-up sheet will be made available. If someone drops out, the next person on the Waiting List will be called. **(If you need to cancel, please DO NOT find a replacement unless there is no one waiting).**
- Once you have signed up for a Workshop and you find you are unable to attend, **you WILL NOT receive a refund unless your spot is filled.**

Please contact **Veronica Church** ychurchlqg@gmail.com (540) 493-8058 as soon as you know you cannot attend a Workshop you have **signed up and paid for**. If applicable, they will contact the next person on the waiting list. If there is no one on the waiting list, you may find your own replacement and give **Veronica** your replacement's name and contact information.

HOLIDAY MAGIC CHALLENGE 2019

We are six months into our challenge so I hope you have started or at least have an idea on what you will be making for your wall hanging. December will be here before you know it.

Choose your favorite holiday and create some holiday magic.

The wall hanging can be any size and any color but must have a holiday theme. The challenges will be displayed at the De-

cember Luncheon and voted on by Members attending the luncheon. Prizes will be awarded for the most creative wall hanging and for the wall hanging showing the best example of the holiday theme. I hope you will get in the spirit of your favorite holiday and create a wonderful magical new wall hanging. If you have any questions, you may email me at

Thanks, Joyce Moorman

How to make beautiful and interesting quilts from pre-cuts

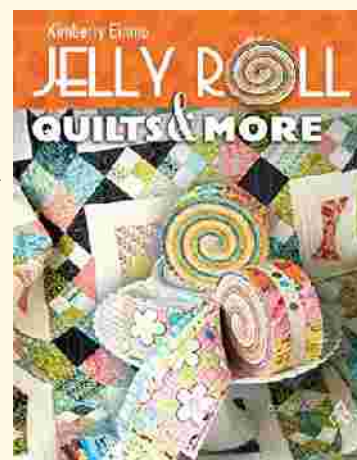

StrataVarious Quilts by Barbara Persing and Mary Hoover

A strata designed quilt is characterized by differing sizes of fabric sewn together in sections, which are then pieced together in a random fashion. The more fabrics used the better. Large print fabrics are encouraged because they add interesting depth and dimension. The first step in preparing a strata quilt is the sorting of a fabric stash by color since that is the basis of how the quilt is planned. The many shades, tones and textures of the fabrics will add to the overall quilt design. Nine fabulous, colorful strata quilts are featured, along with complete instructions, suggestions, photos and some applique patterns. The only additional equipment that may be needed, other than typical quilting supplies, would be specific sized rulers.

Jelly Roll Quilts & More by Kimberly Einma (from the American Quilter's Society)

Quilting has become faster, easier and more accurate in the past few years due new techniques and a number of great new products. One new product is the precise precut fabrics packs that are available in a wide array of colors and sizes. Kimberly contends that if you learn the three basic quilting techniques from the book- the four-patch unit, the flying geese unit and the half-square unit- you can make an almost limitless number of more complicated quilt blocks from jelly rolls or other precut packs. Throughout the book Kimberly adds many wonderful quilting tips including: throw away a machine needle after 8 hours of sewing (she puts them in old dental floss containers), have your machine serviced the same time once a year (to help you remember) AND, make your own jelly roll strips as a way to put a dent in your stash and organize a "strip swap" with friends or fellow guild members.

Bring a machine and choose from walker bags, wheelchair bags, Bags of Hope, baby quilt kits, nursing home bibs, fidget quilt notions (buckles, buttons, zippers, ruffles, lace, all sorts of doo_dads), tote bags, wheelchair quilt w/ muff pattern and flannel back, Christmas stockings, and lap quilt kits. Have a wonderful June. Should we be designing a Quilters' Ark? Stay safe and dry.

Membership

We are 127 members strong and still growing!

Please wear your name tag at every Guild event: classes, meetings, etc. Those who forget can always get one for 25¢. If your name tag has gone missing, let me know and I will make a replacement for you.

When traveling, please let us know of great fabric stores so we can pass the information along to our members. One such place is Zinck's Fabric Outlet. They have three locations: East Earl PA (near Lancaster); Millersburg OH and Ligonier, IN. When you visit, we would appreciate a critique as well – some are gems in disguise and others are duds.

I met Marty Moon, a teacher at one of the quilting shows. Marty used to live in Moneta! Her dad was the pastor at Bethlehem UMC when she was about six years old. Marty now lives in Culpeper and continues teaching around the country. Small world ...

We will have another BIRTHDAY MIXER soon. Come prepared to sit at your birthday month table and meet new friends.
