President's Letter

Happy New Year, Quilters! This should be an exciting year with our Quilt Show coming up this spring, so quilt away during these winter months and let's show the community the results of our favorite craft. The Quilt Show committee is working very diligently to make it the best yet. It will be held on Friday and Saturday, April 17 and 18 at Trinity. All of us should plan to volunteer our time that weekend, as well as set up and take down, to make it truly memorable.

Slots we have open for volunteers this coming year:

1. RAFFLE QUILT COMMITTEE – The Guild will pay for all fabric/kit as well as finishing details for you. We need someone to choose and make the quilt, and a committee to work out the details of getting tickets to all our members. To keep bookkeeping details simple, we need you to sell your tickets to yourself or the world, but always turn in the money under your own name.
2. YEARLY CHALLENGE – CHAIR needed. The theme this year will be to celebrate our 30th anniversary, so 30 of anything: the number 30; 30 jelly rolls; 30 charms; 30 squares; 30 shades of gray or green or whatever color you choose, etc. Be creative!

SPECIAL CELEBRATION PLANNED

Our 30th anniversary party is planned for February 25th, and all previous Guild Presidents will be invited to be our guests. Since 1990, there have been 19 women have led us forward to a Guild with more than 100 members and still growing. Put this date on your calendar to come to the charity sew-in during the morning and CELEBRATE our anniversary at the 1:00 p.m. general meeting. C-A-K-E!

Our Board is anxious to make this a memorable year for you, so if you have any questions, speak to one of us, and we will address it expeditiously. Looking forward to a wonderful and fun year!

Publicity Corner - January

Janet L. Webster

Hello Quilters! Welcome to the **Publicity Corner** – a new column that we will share information about a variety of local and national quilting events as well as information about newsletters and associations dedicated to quilting. There is a lot to share, so I'll offer bits of info each month.

This month I wanted to share some specifics about the **Virginia Consortium of Quilters (VCQ)**. VCQ is open to everyone interested in quilting. Members come from surrounding states as well as Virginia. VCQ is a state-wide organization that meets three to four times a year in various parts of the state. In even years they have a 4-day Celebration of Quilting with classes and good fun. **This year the 4-day celebration is April 23-26 at SML4H Center!** Listed below are some highlights about VCQ - check out www.vcq.org for more information.

How To Join

Annual membership is \$25. Dues are for the calendar year: January 1 through December 31. There are no pro-rated dues. Mailing instructions are included on the membership forms which are available on the website.

Newsletter

VCQ publishes a newsletter about six weeks prior to each quarterly meeting. It contains workshop information for the meeting as well as other VCQ informational updates. Issues are available on the website.

Celebration – this year at Smith Mountain Lake April 23-26, 2020, at SML4H Center

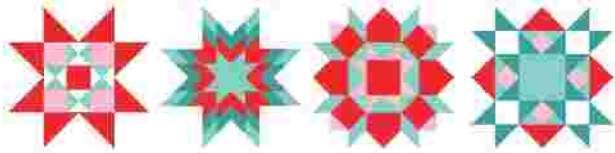

Every two years, the years ending with even numbers (2014, 2016, 2018, 2020), the VCQ has a grand weekend of quilting, eating, and just plain fun! Workshops are available with teachers from across the country. Or, you can choose to sew on your own in the 'Come Quilt with Me' room. The workshops are wonderful, the food is wonderful, and the friendships you make and re-establish each time, are priceless.

Thinking of You

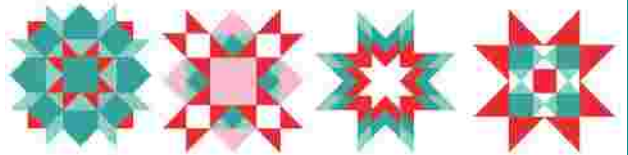

VCQ has a "Thinking of You" block you can use to let members know you are thinking of them. Use it in time of illness, sorrow, to extend congratulations, or just to say "I'm thinking of you." The pattern is available on the website and is taken from an old friendship block. The block is 4" in size and fits perfectly inside a card.

Don't Forget - Mark Your Calendars – It's our **30th Anniversary**, and we're having a major celebration on Tuesday, February 25. Hope to see you there.

Let me leave you this month with an interesting finding. **Did You Know?** A study in the Journal of the American Medical Association shows evidence that quilt making can improve blood pressure, respiration, and heart rate. (American Quilter's Society December 2019 Magazine)

BLOCK OF THE MONTH

Block of the month will begin in February with the River Queen Bee doing the programs. The theme this year is: A Quilters Diary. Description will be presented at the January meeting.

BOOK REVIEWS by our Librarian - Marge Weismantel

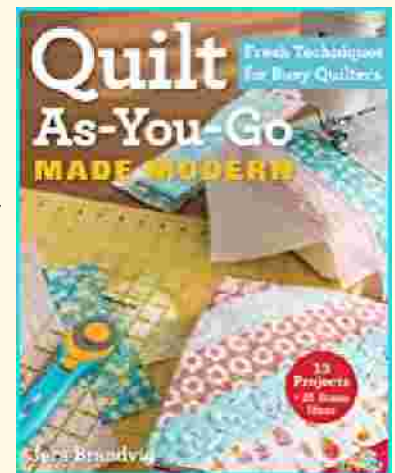

Scraps & Shirrtails: Reuse, Re-purpose, Recycle! The Art of Quilting Green by Bonnie K. Hunter

The author wasn't sure how to deal with her burgeoning stash of fabric so she decided to study antique quilting to get some ideas. She found that the type of quilt she was often drawn to was the utility quilt, usually stitched with large, easy-to-piece blocks made of the lesser worn parts of old clothing. She started putting together her own utility quilts using a combination of her stash fabric along with fabric from old clothing. The author discovered that she got additional satisfaction out of recycling clothing fabric that would normally be thrown away. Included in the book are instructions on how to get the most fabric out of a shirt, what materials are available as "green batting", and how to best organize your stash to optimize quilting time. Twelve utility style quilt patterns are included in the book along with a pattern for a shopping bag.

Quilt-As You-Go Made Modern by Jera Brandvig

Jera was attracted to this quilt-as-you-go method because she only had time to quilt late at night, after her son went to bed, and she was too tired to worry about being precise with measurement and rotary cutting. She found that working with small and manageable blocks versus the large quilt sandwich allowed for more flexibility and creativity. As a mom always on the go, it was easier to stop and start when working with smaller pieces than an entire quilt. This technique works well for the beginner as well as the more experienced quilter. With this method, the quilt top is pieced directly on top of blocks of batting. After the top and batting pieces are assembled and stitched together, the backing fabric and the binding have to be completed. Instructions are given for necessary supplies along with basic quilting techniques. Detailed directions are included for a number of colorful projects.

Attention Guild Members..... Some of our older books have been pulled out of the guild library (books from the 1990s) & will be **available at guild meetings for \$1.00 each.** I'm still in the process of sorting through each of the topics in the library so I will be bringing the older books to the meetings for the next few months.

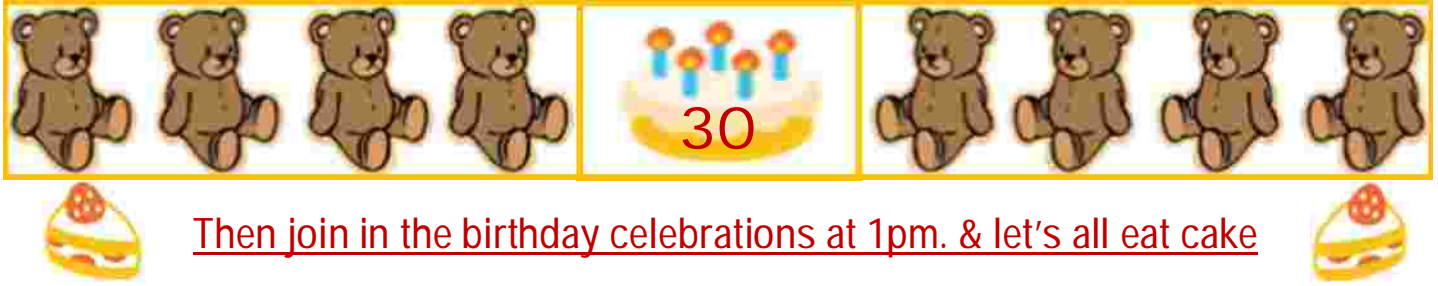

Do you know a member in need of a 'Get Well,' 'Sympathy,' or 'Thinking of You' card?

If so, please contact Linda Walters, Sunshine chairman at lindaw@shtel.net

Tues, Feb 25, 2020, 9am-3pm: [Charity Sew-In](#). Come ready to sew and stuff bears!!!

Then join in the birthday celebrations at 1pm. & let's all eat cake

January Charity Report

We have all heard the saying "Timing is everything." When making the delivery of Christmas stockings to STEP, I was greeted by two adults that I had not seen before. They were so thrilled to see such adorable, handmade stockings, all different. I was (sort of) prepared to answer their standard question: "What is the value or market price of each donated item?" The Craft Show circuit in Southside Virginia, Piedmont and Highland Craft Fairs in North Carolina have suggested values, but I have not been actively following the fairs, nor been a member of these guilds for many years. A friend who has remained active brought me up to date this fall, so I was ready to set an average value . The woman signing our distribution form sews and quilts, so she knows that we spend time making stockings and quilts with donated fabric. She asked me if I had time for her to give us some forms for documenting time spent making "in kind" donations. Both women were very helpful, suggesting ways we could easily record our time spent making quilts, bears, or stockings. Charitable organizations - like STEP - use donated "in kind" hours when applying for grants. With their help, we will donate stockings and "in kind" hours next year. The stockings were delightful this year. Too bad that I didn't record the oohs and aahs as the stockings were counted and taken from the "sacks".

River Queen Bee

Submitted by Sharon Cullen

The River Queen Bee is an active group. Most of our projects are for others in need, we are very productive in that regard. Road trips are our other form of fun-traveling up and down route 81 and spending our fun monies! Our bee challenge was to write down 12 projects for the year-most were slow to accomplish but we did get our priorities organized!

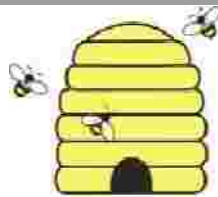

Members are: Nancy Corp, Sharon Cullen, Janet Fogel, Bette Gove, Patti Lively, Connie Lutz, Linda Pote, Bev Seaver, Joy Shannahan, Connie Simmons, Janet Webster, Sue Wilson, and Dottie Wilson.

Meetings are in the Moneta library (Bedford City.) on the third Tuesday of each month at 1:00. We are currently full.

News from the Beehive.....

Our featured bee this month is the River Queen Bee. Enjoy their display and be sure to thank them for sharing. I am still looking for a non bee person or persons to volunteer to display at some point this year. Please consider it. Also, if you would like to start a bee, let me know and I'll try to help you get organized. They really are fun, inspiring and educational.
