

LAKE QUILTERS NEWS

March 2024

A WORD (OR TWO) FROM OUR PRESIDENT

Good Day Mates! Or Aloha! Or just a good old-fashioned, Southern, Hey there!

While I've been "down under", I've been keeping up with everyone through the blessings of technology and social media! Thanks to all who post in Facebook...I've enjoyed watching all that's been happening at home. (It's incredible how dependent our southern neighbors are on mobile technology....Truly...where would we be without our cell phones, free Wi-Fi, and a credit card;)

Travel always induces a sense of awe in me as I experience new places, new ideas and new cultures. While I haven't succeeded in finding all the quilt shops I had hoped to visit this trip, I have been overwhelmed by the beauty I've witnessed at each of our destinations. It's very inspiring, and may be sending me in new directions in my quilt journey as I think about how I can use the love of fabric to capture and save so many stories and memories in textiles. Oh so many ideas – so little time!

While I've suffered FOMO (fear of missing out) these past few weeks, it's been terrific to see what a great team we have in the guild. I can't say enough thanks to Jan EB, Arlene and all the board and members for keeping our "well-oiled machine" of programs and meetings and special sewing days like OPERATION KID COMFORT going ...And DOUBLE THANKS to **Jan Brockman** for assuming the mantle of newsletter editor!

It's just fun to look at Facebook and see all that gets accomplished when everyone works together!...But it is OUR guild 😊 ... and it's so much more fun when you get involved! It's hard to believe a quarter of 2024 is behind us already but what a great year it's shaping up to be! There are still plenty of opportunities to be an active part of the group! The best lies ahead with the show just around the corner. Get busy and get those projects done – that deadline for entries (April LQG meeting) is just around the corner!!!...and don't forget to sign up to help! You don't want to miss out on the fun!

Thanks for being such a terrific group! See you in the spring!

Quilt Show 2024

Quilts For All Seasons

I am writing these notes right after being part of “Operation Kid Comfort”. It was another day of being surrounded by so many fun and talented quilters. Our membership is what excites me about *Our Quilt Show*. Your generosity and creativity to make *Our Show* successful is visible with every boutique item donated, every basket assembled, every volunteer position filled and every planning discussion of ideas. As one example, this month when Karen Taylor suggested that LQG gift a quilt to Eastlake as a thank you, Beverly Seaver and Cathy Fandel volunteered. They donated their time and the materials to create a quilt for the church and you’ll see it at Show and Tell this month! (Don’t tell the church yet, because it’s still a surprise.)

Volunteer Sign-Ups for *Our Show* start NOW!

Working the Quilt Show, whether it is for a 2-hour shift, half a day or an entire day or two is not only a fun time, but also a great bonding opportunity with your fellow guild members! Each member is expected to volunteer for at least one shift and there's sure to be a task you'd enjoy doing whether it's staffing the Welcome Table to greet our guests, White glove while walking around sharing our lovely quilts with our guests or assist in raising funds for the Guild's community projects by selling Boutique merchandise, or tickets for the Raffle quilt and baskets. And, of course who could resist the fun of setting up and taking down at the end of two busy days!

Sign Up sheets will be available at all Guild meetings. Sign up early and pick the shift you want.

Quilt Item Submissions for Lake Quilters Guild Members Only

The decision to limit our show participation to “guild members only” was made by the Board this week. This policy is a natural extension to our primary guiding principle that *Our Show* is to highlight our Guild. If we have friends who want to exhibit with us, please remind them that they have the option to join our Guild.

We have received 24 quilt submissions so far. Please remember to fill out ***all the form fields***. That information is needed for sizing, and also to type the cards that will be displayed with each quilt. I have to admit that at each guild meeting over the last 18 months, I have enjoyed *show and tell* thinking “That will look great at *Our Show*!” Please send us your submissions earlier rather than later.

Submit Your Items!

How: A separate form and photo is required for each quilt or functional item. Forms and the category definitions are posted on the website. We also supply printed copies at each Guild

Who: send to Karen Taylor karentaylor51@gmail.com 1165 Ascend Lane Huddleston, VA 24104

When: All quilt entries are due by April 16th

Do you want to sell your quilt? For those of you who are considering sales, we've created a process to support you. Quilts that are for sale will be hung with all the other quilts. Therefore, you need to submit the registration form to Karen. On the form, there is a place to indicate the sales price of the quilt. We'll include that price on the wall tag located by your quilt. When someone wants to purchase the quilt, they will bring a picture of the quilt tag to the Boutique and we will ring up the sale at the Boutique register. The seller will receive 75% of the sales price and the guild will retain the 25% consignment fee. The quilt maker will receive notice on the day of the sale that their quilt sold. Payments from our Treasurer will happen within 30 days after the Show. The sold quilt cannot be removed until after *Our Show*. Future pick up arrangements will be made at the time of payment with the buyer and a Quilt Show representative.

DEFINITION OF CATEGORIES provided for your quick reference (also listed on the website):

Appliqué - appliqué work (hand, machine, computerized) must be predominant (at least 50%) over other techniques in amount and effect.

Modern – primarily functional quilts that emphasize and complement modern style. Common features of modern quilting may include bold piecing utilizing modern fabrics, high contrast and graphic areas, improvisational piecing, minimalism, maximalism, lack of borders, expansive negative space, modern traditionalism, and alternate grid work. Quilting often enhances the graphic nature of the quilt top with quilting designs used in different and unexpected ways.

Traditional - inspired by our quilting heritage focusing on excellence in construction and design using traditional quilt blocks.

Art Quilts – an original quilted design exploring a concept or idea, rather than a commercial pattern, and created for artistic display. Unusual techniques that are “outside the box” of traditional quilting may be incorporated; i.e., innovative application of dyes and paints, digital imagery, experimental textures and stitchery, and the use of various fibers and embellishments. Design styles include abstract, portrait, landscape and themed images often originating from the artists' beliefs and emotions. Made and quilted by entrant.

Functional Quilted Items – quilted wearables (adorns the body), purses/totes, home décor such as pillows and table runners.

Miniature – must be a scaled down version of a full-sized quilt. No side larger than 24 inches and if blocks are used they may be no larger than four inches.

Boutique Donations

Please continue to bring your donations to our monthly guild meetings. You will see Cindy and friends set up to collect & tag items. It's exciting to watch our inventory grow. We've collected over 50 items since the February guild meeting!

*Thank you for your support. If you have any questions reach out to....
