

Lake Quilters Guild Quilt Show SML/Moneta Library Show

March and April 2025

This is one of a 2 Page form that MUST be completed to participate in this event. You must also complete a form from the library. Both pages MUST be completed for each item on display.

You must also include a photo of your quilt submission with this form!

This is a show with limited space for showing quilts. Please keep this in mind when determining what you are willing to have on display. Items shown will be accepted on a “first in-first up” basis.

Applications must be made by February 18,2025 at the very latest. Remember all items will be on display for the months of March and April, with set up on Saturday March 1,2025 at 10 AM at the library. Take down will occur the week of April 30,2025. All items displayed are smaller size quilts, table runners and wall hangings. There is no place to display purses, pillows, or larger quilts (queen size and up). ***Please make sure that every item shown has a sewn or safety pinned sleeve for hanging. We do not want to have blood spots on your work from straight pins!!!***

Display items MUST be consistent with the Bedford Public Library System Exhibit Policy Notification standards (this is the second sheet-please see that sheet for full information). The library system cannot solicit items for sale. We can however provide information if you are interested in selling your item. You must include business cards and price for items that can be posted beside your display item(s)

Date Entry Submitted _____

Name _____

Contact Information (email and phone)

Name of Quilted Item _____

Width of Item _____

Length of item **(MAXIMUM LENGTH IS 5' 6" OR 6")** _____
